A LITTLE INFO ON OUR SMOKEHOUSE

Barbecue isn't grilling and grilling isn't barbecue.
To barbecue is to cook meats and other products
in a smoker over low heat for a long, long, long
time. Don't forget, we Barbecue, not "barbecue"

We use custom-Built Texas style smokers for all
our beef, pork and poultry.

- All of the finest quality.

if there isn't a red ring around the meat,...
it ain't barbecuel

The red ring is the tell-tale sign.
